BLACK TYPE BLUE FLIGHT

IRT has been flying horses around America and the world for over 35 years.

Countless thoroughbred champions have been entrusted to IRT over the years, like the top three finishers in the 2008 Pattison Canadian International, including the winner, Marsh Side.

That's why horses with 'Black Type', most often take the 'Blue Flight' – IRT.

To transport your horse to US or international destinations with the confidence and care only IRT can provide, contact Ian Jory at IRT Los Angeles or visit www.irt.com today.
