CTFMA

California Thoroughbred Farm Managers Association

CTFMA was formed many years ago to improve communication among the managers of Southern California Thoroughbred farms, to increase their knowledge, and to help them keep up to date on new information & developments. This is still our primary purpose, but our membership has greatly expanded to include not just Thoroughbred owners, breeders, and managers, but those who serve the industry, and those who just love Thoroughbred horses and want to learn how to give the best possible care. We have also expanded to include all of California, no longer just Southern California.

We publish a Quarterly E-Newsletter full of Equine related educational articles. We inform our members of important Racing Industry news and we hold educational and fun events! We have put together several Stallion Tours, Industry Related Seminars, Training center tours and Days at the Races for our members and guests.

Annual Membership is only \$20 so join today!

California Thoroughbred
Breeders Association

NEW REGISTRATION PROCESS

The California Thoroughbred Breeders Association has launched a streamlined registration process that eliminates the need to send the original Jockey Club Certificate to the CTBA to complete the Cal-bred or Cal-sired registration.

Once the Cal-bred or Cal-sired application and fee are submitted to the CTBA, and a certificate has been issued by The Jockey Club, the CTBA will be notified by The Jockey Club and will send a sticker to the person or farm submitting the application to be affixed to the Jockey Club Certificate verifying the Cal-bred or Cal-sired registration.

The sticker will be similar to ones used for annual vehicle registration by the Department of Motor Vehicles.

Certificates that were already processed by the CTBA, and returned to applicants, will not need or receive a sticker.

California Thoroughbred
Breeders Association

NEW REGISTRATION PROCESS

The California Thoroughbred Breeders Association has launched a streamlined registration process that eliminates the need to send the original Jockey Club Certificate to the CTBA to complete the Cal-bred or Cal-sired registration.

Once the Cal-bred or Cal-sired application and fee are submitted to the CTBA, and a certificate has been issued by The Jockey Club, the CTBA will be notified by The Jockey Club and will send a sticker to the person or farm submitting the application to be affixed to the Jockey Club Certificate verifying the Cal-bred or Cal-sired registration.

The sticker will be similar to ones used for annual vehicle registration by the Department of Motor Vehicles.

Certificates that were already processed by the CTBA, and returned to applicants, will not need or receive a sticker.
