CTFMA

California Thoroughbred Farm Managers Association

CTFMA was formed many years ago to improve communication among the managers of Southern California Thoroughbred farms, to increase their knowledge, and to help them keep up to date on new information & developments. This is still our primary purpose, but our membership has greatly expanded to include not just Thoroughbred owners, breeders, and managers, but those who serve the industry, and those who just love Thoroughbred horses and want to learn how to give the best possible care. We have also expanded to include all of California, no longer just Southern California.

We publish a Quarterly E-Newsletter full of Equine related educational articles. We inform our members of important Racing Industry news and we hold educational and fun events! We have put together several Stallion Tours, Industry Related Seminars, Training center tours and Days at the Races for our members and guests.

Annual Membership is only \$20 so join today!

Cal-bred Registration Now Digital

With the Sept. 30 deadline to register 2018 foals as California-bred or California-sired fast approaching, the new digital foal certificates offered by The Jockey Club will streamline the process even more. When the California Thoroughbred

Breeders Association receives the application and fee for Cal-bred and Cal-sired registration, a digital Cal-bred/Cal-sired sticker can be applied to the digital foal certificate.

No longer will you need to deal with a physical sticker and apply it to a paper registration certificate. With a digital sticker, when you transfer the certificate to a new owner, a sales company, or a racetrack, they will know that the horse is registered Cal-bred or Cal-sired.

The Jockey Club is issuing digital foal certificates for horses born in 2018 and later. For further information about the new digital certificates, see the May 2019 issue of *California Thoroughbred*, page 12, or visit the Jockey Club's website (registry.jockeyclub.com).
