VOLUME 149 / NO. 13

DIRECTORY NOTES

The statistical summary portion of each stallion page includes statistics from North America (U.S., Canada and Puerto Rico), Argentina, Australia, England, France, Germany, Ireland, Italy and the United Arab Emirates (UAE) only.

All Statistical information on each Stallion Directory page is complete for racing through November 5, 2023.

Compiled by BloodHorse using information provided by The Jockey Club Information Systems.

The California Thoroughbred Breeders Association (CTBA) and The Jockey Club Information Systems Inc. have provided information on the racing, pedigree and produce records of horses in the Stallion Directory. These records are subject to constant change and revision, and as a result, the TJCIS cannot guarantee their complete and total accuracy. The pages have been produced using Black Type Rules.

BREEDERS' CUP ELIGIBILITY

Information as to a stallion's Breeders' Cup eligibility for 2024 is provided on each Stallion Directory page. That information is provided by the stallion owner, not Breeders' Cup LTD.

REGISTERED CALIFORNIA STALLIONS

The Racing Law of California now requires stallion owners to annually register stallions standing in the state with the CTBA to qualify them and their offspring in that breeding season for certain benefits of the state's breeding incentive program.

Listing of the stallion in this Stallion Directory as being a registered California stallion is done under the assumption the stallion will be registered by the deadline of February 15, 2024.

Annual stallion registration is the responsibility of the stallion owner. The CTBA assumes no liability if the stallion owner neglects to make the registration payment in timely fashion.
