CTFMA

California Thoroughbred Farm Managers Association

CTFMA was formed many years ago to improve communication among the managers of Southern California Thoroughbred farms, to increase their knowledge, and to help them keep up to date on new information & developments. This is still our primary purpose, but our membership has greatly expanded to include not just Thoroughbred owners, breeders, and managers, but those who serve the industry, and those who just love Thoroughbred horses and want to learn how to give the best possible care. We have also expanded to include all of California, no longer just Southern California.

We publish a Quarterly E-Newsletter full of Equine related educational articles. We inform our members of important Racing Industry news and we hold educational and fun events! We have put together several Stallion Tours, Industry Related Seminars, Training center tours and Days at the Races for our members and guests.

Annual Membership is only \$20 so join today!
