Golden State Series A Cal-Bred Windfall

Through the cooperation and shared support of the California racing industry, an additional \$2.325 million will be offered in restricted stakes purses in 2012 to two-year-old and three-year-old horses bred or sired in California.

The 2012 Golden State Series encompasses new stakes and purse enhancements to existing stakes that will be jointly funded by the Thoroughbred Owners of California (TOC), the California Marketing Committee (CMC) and through nominations of two-year-olds in 2012.

“This is a wonderful addition to the Cal-bred racing program and a natural extension of the very successful maiden bonus program,” said Doug Burge the Executive Vice President and General Manager of the California Thoroughbred Breeders Association (CTBA).

“Through the financial support once again of the entire racing industry in the state, we are able to provide a very lucrative return for those breeding and racing in California. While this program initially boosts the opportunities for two- and three-

year-olds and provides a quick reward to successful owners/breeders, it is our goal over time to expand the purses and number of races for older horses as well. We are especially thrilled to have Northern California participation in this new series. There are many reasons to breed and/or race in California, and the benefits continue to grow.”

For foals of 2010, a \$300 eligibility payment must be made by February 15, 2012. Foals not made eligible by that date can become eligible with payment of a one-time supplemental fee of \$25,000. Foals of 2009 and earlier will be grandfathered into the program with no eligibility payment.

“With the current economic climate adversely affecting the breeding industry this is a major step in the right direction for California racing,” said Martin Panza, the Racing Secretary and Vice President of Racing at Hollywood Park.

“We know that 50 percent of our field size is made up of California-breds and that this number is likely to increase, therefore any measures that we can take to ensure the future

Regular Noms For California Cup XXII Close Saturday, October 15

The five stakes races that will comprise the 22nd California Cup at Santa Anita Park on Saturday, October 29, attracted a total of 136 nominations, which are now online.

The stakes, topped by the \$175,000 California Cup Classic, presented by City National Bank, are part of a card restricted to California-breds that also includes two allowance races and two maiden races. Regular nominations are due on Saturday, October 15.

Among the 25 nominees to the Classic, which will be run at 1 1/8 miles on turf for the first time, are millionaire (and Breeders' Cup hopeful) Acclamation and fellow graded winner Caracortado, Lone Star Derby winner Thirtyfirststreet and last year's Cal Cup Classic Stakes winner, Soul Candy.

The \$125,000 John Deere Cal Cup Distaff, run at about 6 1/2 furlongs on the downhill turf course, has the most

nominations at 34, led by multiple graded stakes winner Unzip Me. Also on the list are multiple stakes winners California Nectar and Sugarinthemorning.

Caracortado also shows up on the list for the \$100,000 Donald Valpredo Cal Cup Sprint, as do Amazombie, 2010 Cal Cup Sprint winner Cost of Freedom, M One Rifle and former grade I winner Bob Black Jack, who is coming off a 20-month layoff.

The pair of races for two-year-olds—the \$100,000 Bob Benoit Cal Cup Juvenile for colts and geldings and the \$100,000 Robert H. Walter Cal Cup Juvenile Fillies—had a total of 47 noms. Among the 30 for the Juvenile is Ruler of Dubai. The Juvenile Fillies lists rivals Willa B Awesome and Heleanor Rugby.

The annual gala party for Cal Cup will be themed “The Art of Racing,” and will be held in Santa Anita's Club Court and Club Plaza areas.

The statistics contained in these rankings are compiled by The Jockey Club Information Systems Inc. (TJCIS). While every effort is made to prevent errors and omissions, California Thoroughbred cannot guarantee their complete and total accuracy. A dagger (†) indicates that a stallion has been pensioned, an asterisk (*) that he has died, a dot (•) that he is now standing elsewhere, a number sign (#) that he did not stand in California in 2010 but is standing in the state in 2011, a double dagger (‡) that he is not standing in California in 2011 but will stand in the state in 2012 and in bold that he is a freshman sire. In all cases, a sire will remain in the rankings until the year after his last California foals are two-year-olds. Statistics cover racing in North America (U.S., Canada and Puerto Rico), England, France, Germany, Hong Kong, Ireland, Italy, Japan, Mexico, Saudi Arabia and the United Arab Emirates only.

Acclamation Looks Ready For Breeders' Cup After Scoring In Clement Hirsch

Acclamation is bound for a Breeders' Cup race at Churchill Downs in Kentucky next month on the strength of an increasingly impressive five-race winning streak, all in graded stakes.

The latest victory—in the grade I, \$150,000 Clement Hirsch Turf Championship Stakes over 1 1/4 miles on turf at Santa Anita Park on October 2—was truly a trial race. Ridden by Patrick Valenzuela, Acclamation (\$2.80) had an ideal trip, stalking pacesetter Make Music for Me to the final turn and holding off a sustained threat from Champ Pegasus to win by three-quarters of a length.

Acclamation was confidently ridden by Valenzuela, who gave his mount a few backhanded taps through the stretch to maintain an advantage. Acclamation ran 1 1/4 miles in turf in 1:59.45.

"It was a well-ridden race," trainer Don Warren said. "It's nice to see him lay second like that and go on to win. It's what we wanted five weeks to the Breeders' Cup."—*continued at www.drf.com*

Hayley's Halo Wins Chaves County

Even-money favorite Hayley's Halo scored a three-quarters of a length win in the \$60,000 Chaves County Stakes for fillies and mares at Zia Park in Hobbs, New Mexico, on October 2.

Hayley's Halo is by Sea of Secrets (Ballena Vista Farm), out of the Peaks and Valleys mare Hilo Halo, was bred by owner Lathrop Hoffman and trained by Henry Dominguez. She has 10 wins in 19 starts, earnings of \$332,060 and was coming off a win in the June 28 Dr. Fischer Memorial. She ran the mile in 1:37.28.

Shadow Of Illinois Retired At 11

Shadow of Illinois, who won the grade III San Simeon Handicap in 2005 and raced as an 11-year-old this year, has been retired, trainer Anthony Saavedra said.

A winner of 10 of 50 starts and \$517,295, the California-bred Shadow of Illinois is currently residing with Saavedra and his wife, Jennifer, at their home near Santa Anita.

"We're letting him down and getting him ready for the second phase of his life," Saavedra said Friday. "This will be better for him."

Aside from the San Simeon Handicap win, Shadow of Illinois was best known for the longevity of his racing career. He made one start at Sunland Park in 2003 and spent the rest of his career in Southern California, racing primarily in turf sprints.

Bred by Barbara Millard, Shadow of Illinois is by Illinois Storm and is out of the Trepolino mare My Annie T.

In recent months, Shadow of Illinois fought abscesses in his feet, Saavedra said. In the last few weeks, the Saavedras have considered training Shadow of Illinois to be a hunter-jumper.

"We might try that, and if it didn't work out, we'll find a green pasture for him," Saavedra said.

Even though he did not win a stakes after 2005, Shadow of Illinois remained competitive throughout the circuit. In 2009, he

Sierra Sunset To Stand At Rancho San Miguel

The precocious graded stakes winner Sierra Sunset will stand his first year at stud at Rancho San Miguel for an undisclosed fee.

Sierra Sunset, by Bertrando out of the Pirate's Bounty mare Toot Sweet, broke his maiden as a two-year-old in his second start by five lengths running 4 1/2 furlongs in :51 2/5. He also dominated the Bay Meadows Juvenile Stakes, winning by eight lengths, then came back and won the California Cup Juvenile Stakes as a two-year-old.

Sierra Sunset went on to win the grade II, \$300,000 Rebel Stakes at Oaklawn Park coming off a second-place effort in the Southwest Stakes (grade III) putting him on the Kentucky Derby trail. In addition, he won the Alamedan Handicap with a 101 Beyer. Sierra Sunset won at distances from 4 1/2 furlongs to 1 1/16 miles on a variety of different tracks and surfaces.

For more information please contact Clay Murdock at (805) 467-3847.

Tribal Rule Gets Japanese Winner

Don Tribales, a California-bred two-year-old son of California stallion Tribal Rule (Ballena Vista Farm), won his debut at Hanshin Race Course in Kyoto, Japan, on October 2.

Don Tribales is out of the Prized mare Prized Possession and was bred by Charlotte Wrather. The \$47,000 Barretts purchase earned \$90,864 for the win and ran the 1200 meters in 1:11.70, winning by three-quarters of a length.

won turf races at the five Southern California meetings that conduct turf racing—Santa Anita winter-spring, Hollywood Park spring-summer, Del Mar Thoroughbred Club summer, Oak Tree at Santa Anita, and the Hollywood Park fall.

Shadow of Illinois was winless in 10 starts in 2010 and 2011.

His last racetrack appearance was a sixth-place finish in an optional claimer for statebreds at Hollywood Park on July 8. Shadow of Illinois was entered for a \$25,000 claiming price that evening, a level he raced for frequently in the last 18 months.

"Racing at his level is pretty tough," Saavedra said. "I could find a spot someplace else, but he's been pretty good to us."

The abscesses that led to the Saavedras retiring Shadow of Illinois were not a new ailment. Shadow of Illinois wore glue-on shows throughout his career, Saavedra said. He credited farriers Ben Craft and Robert Treasure, exercise rider Daron Long, and veterinarian Vince Baker for caring for Shadow of Illinois, which allowed him to race to an advanced age.

"It was an unbelievable ride," Saavedra said. "The chances of coming up with another one like him in my career is pretty small. Even though he's at home, we miss him at the barn."

California Satellite Betting Bill Signed Into Law

Legislation designed to assist satellite wagering facilities in California has been signed into law by Gov. Jerry Brown.

The bill was sponsored by Democratic Assemblyman Henry Perea. "With declining attendance and fixed costs, some smaller satellite facilities have been forced to close because they couldn't afford to comply with the law," Perea said in a statement. "The passage of this law will help preserve the tradition of horse racing in California."

Under current law all satellite wagering facilities must have a supervisor on-site during operating hours. The requirement created "significant financial problems" for some of the smaller satellite facilities that can't afford to pay supervisor wages for several hours each day, according to a release from Perea's office.

The new law allows satellite facilities to waive the supervisor position requirement if it is determined the requirement creates a financial hardship.—*continued at www.bloodhorse.com*

TVG Signs Agreement With Keeneland And Del Mar

Television Games Network (TVG), the horseracing broadcaster and account-wagering company, has re-signed Keeneland Racecourse and Del Mar Thoroughbred Club to exclusive television agreements through 2016 and has begun asking tracks to commit to high-definition broadcasts as part of a push to get an HD channel slot on satellite and cable networks, TVG officials said on Thursday.

As part of the agreements with TVG, Keeneland and Del Mar will each receive a seat on a committee that TVG is forming to explore the pursuit of the HD channel slots, which are prized territory on broadcast networks. TVG is currently available in 36 million homes on both major satellite networks and a variety of local cable networks, but the channel is only available in standard definition on all of those systems.

Deadline Approaches For Tax Relief

This year may be the best ever for write offs of horses, but you need to act soon. Thanks to the Tax Relief Act passed last December, taxpayers have access to a benefit called 100 percent bonus depreciation. This benefit allows buyers to write off the entire purchase price of qualified property in 2011.

An example of qualified property is a yearling that is purchased and put into training this year. Other examples include new farm equipment, fences and barns.

Bonus depreciation is scheduled to drop to 50 percent next year.

Harris Leaves California Horse Racing Board

John Harris has left the California Horse Racing Board (CHRB) after a tenure of nearly 11 years in which he served as Chairman on two occasions.

The move was expected. Harris announced earlier this year that he would not accept reappointment once his current term expired in July.

Harris, 68, who lives near Fresno, was appointed to the board by then-Gov. Gray Davis in November of 2000. One of the leading horse owners and breeders in the state, he remained on the board through its August 25 meeting.

"The term carries over for 60 days unless a new appointment made," Harris said in an email September 28. "I did speak with the governor's

appointment secretary yesterday and they offered to reappoint me, but I respectfully turned it down.

"I was on the board about 10 years and much enjoyed it, but (it's) time to move on," he added. "I do wish the board well and much appreciate all the good friends I have worked with for the good of horse racing."—*continued at www.bloodhorse.com*

Rescue Groups Join Million Dollar Rescuing Racers Initiative

The American Society for the Prevention of Cruelty to Animals (ASPCA) has announced that eight thoroughbred rescue organizations have received \$458,000 in grants and have joined the ASPCA Million Dollar Rescuing Racers Initiative. The program, made possible by a generous donor, which aids in the rescue of retired racehorses by rehabilitating them and giving them a new lease on life for events or enjoyment.

"Too often, thoroughbreds end up at livestock auctions—or worse, are sent to slaughterhouses—when their racing days are

over," said Jacque Schultz, senior director of the ASPCA Equine Fund. "Each of these groups has demonstrated a dedication to promoting equine rescue and welfare. We're proud to help them responsibly build their capacity and save more racehorses."

Horse Slaughter Supporters, Opponents Face Off Online

Advocates on both sides of the horse processing issue have posted petitions on a U.S. government website that allows the public to inform the Obama administration about issues important to them.

The We The People website allows the public to create petitions on a range of issues including agriculture, the economy, and the environment. Petitions that receive 5,000 signatures within 30 days of their posting, will be reviewed by the White House staff before being submitted to the appropriate policy experts for an official response.

A September 22 petition posted on the site calls on the White House to restore humane horse slaughter on grounds that reestablishing horse processing in the U.S. will improve equine welfare and create jobs. Conversely, a petition posted on September 23, asks the Obama administration to support passage of the bills, on

grounds that banning horse processing in the U.S. would enhance equine welfare.

At press time on September 30, the pro-slaughter petition had received 1,327 of the 5,000 signatures needed by October 22 to warrant administration review and the anti-slaughter petition had posted 3,016 of the 5,000 signatures needed by October 23.

Wyoming lawmaker and horse processing supporter Sue Wallis said the petition provides those most affected by the demise of the US. horse processing in the U.S. a way to directly make their case to the White House. *—continued at www.thehorse.com*

California Weekly Hay Report Friday, Sept. 30, 2011

For Any Questions On This List Please Contact: (970) 353-9750

Tons: 19,465 Last Week: 28,385 Last Year: 48,020

Compared to last week: All classes of hay traded mostly steady to firm; instances 5.00 higher in Region 5 and 6 on retail classes and Alfalfa that is clean being free of grass and bug damage. Buyer demand is very good on all classes with light to moderate trading activity for light supplies of hay statewide, however a few buying interests are beginning to protest the latest jump in asking prices on Fair and Good quality Alfalfa. Dairy quality test hay demand is still good to very good despite the Milk futures, cheese, and butter prices not being as high as they have been in the recent past. The current value of the dollar in relation to foreign currencies that purchase hay along with very reasonable current freight rates has kept the export market very strong. There was heavy movement in the Northern regions of the state as the forecast has rain showers entering the region in the next week. Many producers are reporting a large increase in inquiries for hay from new customers and some producers are reporting that they are already sold out for the year. Hay brokers in Southern California are reporting business as being slow this week with a large volume of inquiries as well.

CTBA Magazine Update

The October 2011 issue of *California Thoroughbred*, the official publication of the California Thoroughbred Breeders Association (CTBA), has now been completed and is currently being mailed out to its subscribers and the CTBA membership. Featured as this edition's cover story is a review of the impressive victory by California-bred Acclamation in the grade I, \$1,000,000 TVG Pacific Classic Stakes contested at the Del Mar Thoroughbred Club on August 28.

Besides this article, the latest magazine also includes many other feature stories of interest, such as: a comprehensive "Cal Cup XII--Then & Now" editorial focusing on those Cal-breds who posted stakes victories at this prestigious event a decade ago and what has happened with them since; an In Memoriam tribute to Cal-bred Gourmet Girl (\$1,255,373), the 2000 Eclipse Champion Older Female who died soon after producing her eighth foal in Florida earlier this year; a wrap-up of the win by Cal-bred Caracortado in the grade II, \$200,000 Del Mar Mile at Del Mar on August 27; a CTBA Member Profile on Carl Asadurian, the co-breeder with his father Sam of Cal-bred Chiloquin who won the \$100,000 Real Good Deal Stakes at Del Mar on August 10; a detailed preview of this year's Barretts October Yearling Sale being held in the Hinds Pavilion at Fairplex in Pomona on Tuesday, October 11 and Wednesday, October 12, starting at 7 p.m. and 11 a.m., respectively; an Another Man's Treasure article on Thoroughbred Ed, Sheryl Fulop and Ken Lian's "Solution Based Rescue" for Thoroughbreds based in Simi Valley; an Industry Insight piece on the horse racing movie "And They're Off" which is being released nationwide on Friday, October 28, one week before this year's Breeders' Cup World Championships are held at Churchill Downs in Kentucky; wrap-ups of the respective black-type wins recorded during the closing days of the 2011 Del Mar meeting by the Cal-bred trio of Heleanor Rugby, Ruler of Dubai and Mensa Heat in the \$100,000 Generous Portion Stakes (August 31), \$100,000 I'm Smokin Stakes (September 5) and \$104,375 Pirate's Bounty Stakes (September 7), respectively; the annual section of farm profiles, this year featuring more than a dozen of the finest Thoroughbred facilities operating on the West Coast; a Down on the Farm editorial that provides in-depth analysis on back injuries in horses; a Guest Forum article on Charlotte Farmer's amazing four-year odyssey to relocate the remains of the legendary Noor from Grass Valley, California, to Georgetown, Kentucky, that was completed in August; and all the many other interesting and informative features, departments and columns that the publication's loyal readers look forward to every month.

So now is the time to secure valuable advertising space in the November 2011 copy of *California Thoroughbred*, the monthly publication that remains the best medium for marketing Thoroughbred stallions, farms and businesses in the Golden State. To ensure participation in this next issue, please contact the CTBA's Advertising Manager Loretta Veiga without further delay at either Loretta@ctba.com or (626) 445-7800, extension 226. Arrangements can then be made to secure the placement in this magazine of a high quality, competitively priced advertisement that's certain to provide the maximum possible exposure to your services and/or products on offer.
